Dear Dr Billington,

I am pleased to confirm that <company name> has agreed to support <academic name>'s CUC-ESF project application < project name>, and to contribute time and advice over three years to this research project, as detailed in the application.

I can also confirm that we have reviewed the model studentship sponsorship agreement on the GWR web site and that we are willing to enter into an agreement with <university name> on the basis of this model agreement.

Our support assumes satisfactory agreement between <company name> and <university name> concerning, confidentiality and publication of results, and additionally I can confirm that we understand that , if the above application is successful, this project will be funded by the European Social Fund.

This funding means that the results of the research must be placed in the public domain, and that IPR rights, if any, will reside with < university name>.

Yours sincerely

For and on behalf of <company name>
